

# NATTAPAT LAMNUI

## FRONT-END DEVELOPER

(+66) 91 042 4154 | nattapat.lamn@gmail.com | [www.linkedin.com/in/nattapat-lamn04](https://www.linkedin.com/in/nattapat-lamn04)

Aspiring and passionate Full-Stack Developer seeking a Developer Internship to apply and strengthen acquired skills in web development. Eager to contribute to innovative projects, gain hands-on experience in cutting-edge technologies, and build robust solutions with a focus on user experience.

### PROJECTS

#### ITB-M Shop (Full-Stack E-Commerce System)

[GitHub](#)

- Developed a full-stack e-commerce web application using Vue.js for the frontend, Spring Boot for the backend API, and MySQL for database management.
- Implemented robust features including user authentication, secure image uploads, and comprehensive order management functionalities.
- Managed the entire development lifecycle, from database design to deployment, demonstrating proficiency in modern web development frameworks.

#### GongGangGoodFood (Recipe Community Platform)

[GitHub](#)

- Designed and built a Vue.js-based community platform enabling users to share recipes and manage reviews.
- Implemented full CRUD (Create, Read, Update, Delete) operations for recipes and user interactions.
- Focused on creating an intuitive user interface and responsive design to enhance user engagement.

#### Meez (Meeting Room Booking System)

[GitHub](#)

- Developed a full-stack web application for meeting room bookings using Spring Boot for the backend and Vue.js for the frontend.
- Implemented JWT-based authentication for secure access and role-based access control.
- Enabled real-time room availability search and comprehensive CRUD operations for managing rooms and user bookings.

### WORK EXPERIENCE

#### SCB Tech Hub (Mae Manee Team)

Apr 2025 - Sep 2025

QA Intern

- Tested banking account creation and system validation workflows from a user perspective.
- Collaborated with developers to ensure feature accuracy and quality of front-end functionalities.

### EDUCATION

#### King Mongkut's University of Technology Thonburi (KMUTT)

Aug 2023 - Present

Bachelor of Science in Information Technology

- Relevant Coursework: Programming Fundamentals, Web & Software Development (Vue.js, Spring Boot), Database Systems & DevOps, Integrated IT Project (Team-based Fullstack Development Project).

### TECHNICAL SKILLS

- Languages: Thai (Native), English (Intermediate)
- Programming Languages: JavaScript, HTML, CSS, Java
- Frameworks & Libraries: Vue.js, Spring Boot, Tailwind CSS, Node.js, RESTful API
- Databases: MySQL
- Tools: Git, Postman, Docker, Visual Studio Code, IntelliJ
